- EXPERIENCE** **Horizon Lines, LLC** *formerly Sea-Land Service, Inc.* 1987-2009
Seattle and Renton, Washington
- Served as in-house graphic designer for leading containerized ocean shipping corporation. Saved company thousands of dollars in ad agency and graphic design costs.
 - Created marketing materials, including flyers, newsletters, manuals, invitations, rate sheets, brochures, posters, forms, trade show banners, art for trade booths and promotional items.
 - Designed materials to company branding specifications.
 - Utilized various print methods best suited for project and budget.
 - Retouched digital photos to utilize company image library to its full potential.
 - Produced advertisements for trade publications. Coordinated with publishers to maintain advertising contracts and schedules.
 - Produced printed sailing schedules for all trades (Alaska, Hawaii, Guam and Puerto Rico) and in PDF format for distribution and posted to company website. Coordinated schedule information with logistic directors.
 - Produced and optimized graphics for company websites.
 - Created and updated company service maps containing routes, service pro forma, cutoffs and transit information. Posted maps to company website.
 - Collaborated with all divisions for various projects. Worked efficiently under pressure with multiple and last-minute deadlines.
- TeachTown/Jigsaw Learning** 2006-Present
Seattle, Washington
- Provide ad hoc freelance graphic design services to include re-creation and update of software manual, setup of associate business cards, trade show banners, invitations and ads.
- JB Graphix** 1998-1999
Renton, Washington
- Provided freelance graphic design services for printing and promotional products company. Produced client projects, including catalogs, business cards, flyers, newsletters, signage and art for promotional items.
